

Wilson's Wanderers (Or How To Not Spatchcock Your Egg-layer)

*You can't beat a homemade breakfast
With beans and eggs and ham
Ensure supply of golden yolks
Get yourself a chicken cam*

*The chooks have all been rescued
You clearly give a damn
So let them last to old age
And fit a chicken cam*

*It may be slightly peevish
As they peck as you have a dram
But just think how you might feel
Without the all-seeing chicken cam*

*The sound of tyres a-squealing
Have they hit a sheep or lamb
Why aren't they made compulsory
The life-saving chicken cam*

by Jules Procter (This is what happens when you don't see someone for 45 years.)
